RE: Orbitron Industries facility
901 South Main Street
Delphos, Ohio

Dear Tom,

Please find below an estimated price for the disposal of the material at the Orbitron Industries Facility in Delphos, Ohio.

LOCATION: AREA I, OUTSIDE AT THE SOUTH-END OF THE PROPERTY
PRICE FOR DISPOSAL: \$7,840.00

LOCATION: AREA II, FRONT WHITE GARAGE
PRICE FOR DISPOSAL: \$300.00

LOCATION: AREA III, SMALL GREEN FRONT BUILDING
PRICE FOR DISPOSAL: \$1,180.00

LOCATION: AREA IV, MAIN OPERATIONS BUILDING
PRICE FOR DISPOSAL: \$6,900.00

TOTAL ESTIMATED PRICE FOR DISPOSAL: \$16,220.00

There is a \$85.00 charge for each overpack which is necessary for the drums.

This price is predicated on our findings from the Orbitron, Delphos site. There was only periodic sampling done, and some of these compounds will be listed as "unknown" until more in depth analytical can be obtained. Due to this factor, this price is subject to alteration on account of the disposal site changing.

This price is for disposal only, it does not include transportation, handling, or personal protective gear which will be required in the transferring. If you have any further questions, please do not hesitate to call.

Sincerely,
COUSINS WASTE CONTROL CORPORATION

Barry Cousins
